

Reviewer's report

Title: An increase of cereal intake as an approach to weight reduction in children is effective only when accompanied by nutrition education: a randomized controlled trial

Version: 2 Date: 31 July 2008

Reviewer: Louise Aston

Reviewer's report:

The authors have made the suggested revisions and the changes have improved the manuscript.

Minor essential revisions

P3 L1: change 'is overweight' to 'are overweight'

Discretionary revisions

P3 L19: change 'alternate' to 'possible'

P8 L25: should this be 'difference in adjusted weight changes' rather than 'unadjusted difference'?

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
