Title: A comparative study of food habits and body shape perception of university students in Japan and Korea

Authors:

Ruka Sakamaki (sakamaki@seinan-jo.ac.jp)

Rie Amamoto (tanaka_r@seinan-jo.ac.jp)

Yoshie Mochida (mochida@seinan-jo.ac.jp)

Version: 2 Date: 20 September 2005

Author's response to reviews:

Dear nutrition journal of editorial team

As the data of Korean subjects has been misplaced, it has made a change to the original values.

Regards

Ruka Sakamaki
