

## **Author's response to reviews**

**Title:** Homocysteine and cognitive impairment; a case series in a General Practice setting.

### **Authors:**

Andrew McCaddon ([andrew@mccaddon.demon.co.uk](mailto:andrew@mccaddon.demon.co.uk))

**Version:** 4 **Date:** 14 February 2006

### **Author's response to reviews:**

As requested, I have changed the capitalisation in the Manuscript file and Title, and have amended the Figure Legends. The confusion arose from the online submission system. There are now 4 figures with legends, and all figures are referred to in the text.
