Sub: - Submission of Revised Review Paper ‘**Sweet Proteins – Potential Replacement for Artificial Low Calorie Sweeteners**’

Dear Dr. Nehme Gebrayel,

Hear by I am sending you the revised version of my review paper. The major changes have been listed below one by one. I have tried my best to avoid any further grammatical, typos and spelling errors. The paper has been revised thoroughly and I will appreciate if the paper is published without making any further changes in the manuscript.

- ~ The address, contact number and the email id. of the author has been modified.
- ~ The language of abstract has been modified at couple of places.
- ~ The language has been modified at few places in the body of the revised paper.
- ~ Figure has been replaced by a large and better figure.
- ~ Conclusion has been modified at few places.

Kindly feel free to ask, if list of all the changes made in the revised paper is required. I can send a word (.doc) file showing all the modification.

Hope to see the paper published very soon.

Thanking You
Best Regards

Ravi Kant
